(ORIGINAL)

Date:2022-06

RUIAO Tungsten Carbide Limited is committed to the 1502nd section of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“the Dodd-Frank Act”). We solemnly declare that we do not purchase, refuse to use the conflict minerals, or their derivatives directly or indirectly, or benefit armed groups through mining and mineral transactions in the Democratic Republic of Congo (DRC) or neighboring countries.

In the management of conflict minerals, RUIAO will fulfill its corporate social responsibility, and runs in compliance with international conventions strictly; We will be committed to the regular collection, evaluation and management of conflict minerals data in the supply chain to 3T&G metal.

At the same time, in the supply chain, we carry out the risk identification and assessment of mineral resources, organize regular training to promote the supply chain management and continuous improvement in the conflict of mineral resources management.

The company will conduct Due Diligence in the management process of conflict minerals in the supply chain to avoid any use of conflict metals from the Democratic Republic of Congo and neighboring countries that controlled by militant organizations.

So, we can guarantee that all our Tungsten Carbide Products we supply to all our clients are all not made from any 3TG metals.
